Several community events have already been held at the Hub leading up to the grand opening, such as Open Studio and Yoga Night, to generate excitement and provide a sneak peek of the community events that are to come. The future of the Hub looks bright, as several activities are on the calendar for the upcoming months, such as recovery meetings, art therapy nights, and more. ANTI-STIGMA CAMPAIGN

DISMANTLING ADDICTION STIGMA

The Samaritan Center's SOR3 Team, in collaboration with CFS Corp., launched an Anti-Stigma campaign, #StandUpToStigma, that highlights the four different types of stigma - self-stigma, public stigma, stigma against medication, and structural stigma. Each topic ends with an in-person event that discusses the topic more in depth. Stigma negatively impacts our communities and those who are struggling with substance use disorder. This campaign aims to educate and bring the community together to talk openly about dismantling stigma. To learn more, visit www.cfscorpindiana.org under the "Campaigns" tab.
